DIRECTORS' REVIEW REPORT

Directors' Review Report

Dear Shareholders

On behalf of the board of directors, we are pleased to present the Condensed Interim Unconsolidated & Consolidated Financial Information for the quarter and nine-months period ended 31 March 2023 along with operational performance of the Company for the same period.

Overview

We are pleased to inform you that your Company is making progress on all fronts. It has successfully completed the cycle of Globe Residency REIT transaction. Globe Residency Apartments were launched, with great success, back in November 2021. The apartment project was subsequently transferred into a REIT Scheme in March 2022. Globe Residency REIT Scheme (GRR) - the first developmental REIT Scheme in the country, was listed at Pakistan Stock Exchange on 28 December 2022.

The Company had offered 10% units of GRR, through offer for sale, to public, which was oversubscribed by 2.8 times. 5% units were offered to Real Estate Consultants, which were also fully subscribed. The balance 85% units were offered to existing ordinary shareholders of the Company.

After successful launch and subsequent sale of GRR during the period under review another apartment project - Signature Tower Block A was launched in January 2023, which has been, subsequently, transferred to Signature Residency REIT during the period under review. The launch of the apartment project was successful as 70% of apartment units have been booked at the.

Another REIT, namely, Naya Nazimabad Apartment REIT (NNAR) has also been formed and land admeasuring 46,597 sq yds has been sold to the REIT scheme. Arif Habib Development & Engineering Consultants (Private) Limited - Project Manager, is working on the launch of apartments and retail space under Naya Nazimabad Apartment REIT. We may expect these to be launched soon.

Financial Performance

During the period, the Company has recorded Sale and Profit After Tax of PKR 9,746 million and 4,419 million respectively. Whereas Sale and Profit After Tax in the corresponding period were PKR 3,605 million and PKR 1,387 million, respectively.

Further, during the period, the cost of sales is recorded at PKR 3,847 million resulting in Gross Profit Margin of 61%. The administrative cost incurred, during the period, is PKR 383 million as compared to PKR 307 million incurred in the corresponding period. Flyover construction is progressing satisfactorily. The company incurred cost of PKR 881 million on the flyover construction during the period. Other Income earned during the period is PKR 190 million as compared to PKR 317 million earned over the corresponding period - increase of 77%

Following is the comparative summary of (unconsolidated) financial results:

B 2 1	31 March 2023	31 March 2022
Particulars	(Rupees in th	nousands)
Net Sales	9,746,270	3,605,612
Cost of sales	(3,847,008)	(1,845,929)
Gross Profit	5,899,263	1,759,683
Profit before taxation	4,567,792	1,572,465
Profit after taxation	4,419,441	1,386,865
Earning per share - (in rupees)	11.60	3.64

On a consolidated basis profit from continuing operations is PKR 118 million translating into an EPS per share of Re. 0.31 per unit and profit from discontinued operation is PKR 1,061 million translating into earnings per share of Re 2.79.

Operational Performance

We are extremely pleased to inform that work on Naya Nazimabad Flyover is progressing as per schedule. We expect it to be completed on time. The flyover will be a significant milestone for the development and growth of the project in future.

Further, the infrastructure development work of Block M has been completed and possession has also been offered to allottees in Block M.

Other infrastructure development work including Jama Masjid (2nd Phase), Naya Nazimabad Gymkhana and Naya Nazimabad Hospital is progressing as per schedule and all projects are expected to be completed within the planned timelines. On the auspicious occasion of Holy Month of Ramzan internal hall of Jama Masjid was open for prayers.

Outlook

After the successful launch of Globe Residency Apartments and Signature Tower in Block A the apartments and retail space of Block B are being launched. Musharka Arrangement (partnership on profit or loss basis) with Meezan bank under Globe Residency REIT for three towers (approximately four hundred apartment units) is a significant achievement and a successful execution of Musharka Arrangement will pave the way for similar arrangement with Meezan and other banks in upcoming apartment projects under REITs.

With robust demand, completion of flagship value addition projects such as Naya Nazimabad Gymkhana & Naya Nazimabad Flyover within current financial year the value appreciation of Naya Nazimabad project should continue.

The recent inflation, interest rate hike, increase in cost of construction and overall slowdown in economy indeed concerning. However, despite these macroeconomic challenges the project specific positive developments depict a positive of your company.

Acknowledgement

On behalf of the Board of Directors, we thank our customers and shareholders for their continued support in transforming the dream into reality. We would like to thank our Banks and Financial institutions who, over the years, have been critical in enabling the Company to deliver this project. We would also like to thank Securities and Exchange Commission of Pakistan and Pakistan Stock Exchange for their support to the project and appreciate all the employees of the Company for highly admirable efforts put in by them.

a) Tax related contingencies

- i) Returns of income for tax years 2008 to 2010, 2012 and 2014 were filed under Section 114 of the Income Tax Ordinance, 2001 (the Ordinance) which were deemed to be assessment orders issued by the Commissioner Inland Revenue under Section 120 of the Ordinance. The deemed assessment orders were amended by the taxation authorities under Section 122 of the Ordinance by creating a demand of Rs. 39.791 million, Rs. 80.257 million, Rs. 194.035 million, Rs. 1,003.447 million and Rs. 533.742 million respectively, on account of various matters including disallowances for certain expenses. Being aggrieved, the Company had filed appeals before Commissioner Inland Revenue (Appeals) [CIR(A)] and was allowed partial relief for tax years 2008 to 2010, 2012 and 2014 aggregating to Rs. 1,368.895 million. The Company later filed appeal before Appellate Tribunal Inland Revenue (ATIR) which are pending adjudication. However, in year 2019, an appeal effect order was issued for the tax year 2012 whereby, a demand of Rs. 6.64 million has been created and paid by the Company under protest. The Company, based on the opinion of its tax advisor, is confident that there will be no unfavorable outcome in above appeals. Accordingly, no provisions were made in these financial statements
- ii) In year 2017, taxation authorities issued an assessment order in respect of tax year 2011 and made certain disallowances and additions resulting in a reduction in loss for the year from Rs. 1,497.06 million to Rs. 147.48 million. Being aggrieved, the Company filed appeals against these order before CIR(A), however, the CIR(A) upheld the assessment order. The Company later filed appeal before ATIR which is pending adjudication. The Company, based on opinion of its tax advisor, is confident that the case will be decided in favour of the Company. Accordingly, no provisions were made in these financial statements.
- iii) In year 2018, the deemed assessment orders for the tax years 2013 and 2017 were amended by the taxation authorities creating a demand of Rs. 220.22 million and Rs. 486.162 million, respectively. The Company later filed appeal before CIR(A), which was disposed off in year 2020 and the demand was enhanced from Rs. 220.22 million to Rs. 324.58 million for tax year 2013. Being aggrieved, the Company filed appeal before ATIR, which were adjudicated in favor of the Company in year 2020 except for immaterial assessments. The Company, based on the opinion of its tax advisor, is confident of the favorable outcome. Accordingly, no provision has been made in these financial statements.

NOTES TO THE CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENT (UNAUDITED)

FOR THE NINE MONTHS ENDED MARCH 31, 2023

vi) Alternate Corporate Tax (ACT) was applicable on the Company at rate of 17% of accounting income after certain adjustments as mentioned in Section 113(c) of the Income Tax Ordinance, 2001 through Finance Act 2014. Accordingly, the Company had made a provision for ACT for the year ended June 30, 2014 but obtained stay order from the Honorable High Court of Sindh (SHC) against applicability of ACT since tax year 2015 based on the grounds of brought forward losses. Later, the Company had reversed provision previously created of Rs. 131.273 million relating to prior years. Accordingly, the tax provision based on ACT having an aggregated impact of Rs. 761.07 million has not been accounted for in these financial statements, instead the Company continues to record the tax provision based on minimum tax under Section 113 of the Income Tax Ordinance, 2001 upto tax year 2018. In year 2019, the Company had adjusted its brought forward losses against taxable income and accordingly, provision for the tax year 2019 and onwards are based on higher of Corporate Tax or ACT.

In year 2019, the Company had received demand notice from Deputy Commissioner Inland Revenue (DCIR) of Rs. 187.098 million in respect of a non-payment of Alternate Corporate Tax (ACT) for the tax year 2018. The Company had challenged the applicability of Alternative Corporate Tax vide C.P D-2982 of 2019 before SHC. In this regard, an interim order had been granted by SHC that no coercive action is to be taken against the Company till the pendency of the matter before SHC.

- vii) The Company has filed constitutional petition before the High Court of Sindh (SHC) vide Constitutional Petition No. 2564 of 2014 dated May 15, 2014 challenging vires of Workers Welfare Ordinance, 1971. SHC has admitted constitutional petition for regular hearing and issued interim stay order from recovery of Workers' Welfare Fund (WWF) impugned demand by Federal Board of Revenue for the tax year 2013. The management, based on the opinion of the tax advisor, is expecting favorable outcome on the said matter. Accordingly, no liability for WWF since 2014 to 30 June 2022 has been accounted for in these financial statements having an aggregate impact of Rs. 155.244 million (2021: Rs. 123.571 million).
- viii) The Company has filed a constitutional petition D-4971 of 2017 dated July 28, 2017 in Honorable High Court of Sindh (SHC) against imposition of tax on undistributed profits under Section 5A of Income Tax Ordinance, 2001. The management is confident of the favorable outcome of this petition, as stay has been granted on similar petitions filed by other companies. Although, the Company has complied with the requirements related to distribution of profits for the years but the petition in this regard is still pending before SHC.

16.1.2. Other contingencies and commitments

There are no major changes in the status and nature of other contingencies (i.e. related to legal/other contingencies relating to existing business and former business) and commitments as disclosed in notes 30.1.1(b), 30.1.2 and 30.2, respectively to the annual audited financial statements of the Company for the year ended June 30, 2022.

a) Tax related contingencies

- i) Returns of income for tax years 2008 to 2010, 2012 and 2014 were filed under Section 114 of the Income Tax Ordinance, 2001 (the Ordinance) which were deemed to be assessment orders issued by the Commissioner Inland Revenue under Section 120 of the Ordinance. The deemed assessment orders were amended by the taxation authorities under Section 122 of the Ordinance by creating a demand of Rs. 39.791 million, Rs. 80.257 million, Rs. 194.035 million, Rs. 1,003.447 million and Rs. 533.742 million respectively, on account of various matters including disallowances for certain expenses. Being aggrieved, the Company had filed appeals before Commissioner Inland Revenue (Appeals) [CIR(A)] and was allowed partial relief for tax years 2008 to 2010, 2012 and 2014 aggregating to Rs.1,368.895 million. The Company later filed appeal before Appellate Tribunal Inland Revenue (ATIR) which are pending adjudication. However, in year 2019, an appeal effect order was issued for the tax year 2012 whereby, a demand of Rs. 6.64 million has been created and paid by the Company under protest. The Company, based on the opinion of its tax advisor, is confident that there will be no unfavourable outcome in above appeals. Accordingly, no provisions were made in these financial statements.
- ii) In year 2017, taxation authorities issued an assessment order in respect of tax year 2011 and made certain disallowances and additions resulting in a reduction in loss for the year from Rs. 1,497.06 million to Rs. 147.48 million. Being aggrieved, the Company filed appeals against these order before CIR(A), however, the CIR(A) upheld the assessment order. The Company later filed appeal before ATIR which is pending adjudication. The Company, based on opinion of its tax advisor, is confident that the case will be decided in favour of the Company. Accordingly, no provisions were made in these financial statements.
- iii) In year 2018, the deemed assessment orders for the tax years 2013 and 2017 were amended by the taxation authorities creating a demand of Rs. 220.22 million and Rs. 486.162 million, respectively. Later, the Company had reversed provision previously created of Rs. 131.273 million relating to prior years. Accordingly, the tax provision based on ACT having an aggregated impact of Rs.761.07 million has not been accounted for in these financial statements, instead the Company continues to record the tax provision based on minimum tax under Section 113 of the Income Tax Ordinance, 2001 upto tax year 2018. The management, based on the opinion of the tax advisor, is expecting favourable outcome on the said matter. Accordingly, no liability for WWF since 2014 to 30 June 2022 has been accounted for in these financial statements having an aggregate impact of Rs.155.244 million (2021: Rs. 123.571 million).
- viii) The Company has filed a constitutional petition D-4971 of 2017 dated July 28, 2017 in Honorable High Court of Sindh (SHC) against imposition of tax on undistributed profits under Section 5A of Income Tax Ordinance, 2001. The management is confident of the favourable outcome of this petition, as stay has been granted on similar petitions filed by other companies. Although, the Company has complied with the requirements related to distribution of profits for the years but the petition in this regarding is still pending before SHC.
